Property description

Inside, the tasteful decor is a sophisticated mix that blends contemporary architecture with vintage décor and bespoke furnishings. The overall design concept is one of continuous, bright and vast open-spaces symbiotic with the external areas out on to which they flow effortlessly.

>From the roof terrace guests can be thrilled by a phenomenal sea and 360 view of the island panorama, which alone makes stays at this impressive residence an all the more unforgettable experience.

Overall, there is ample space in which to enjoy the company of others without feeling crowded, and also to find a comfortable corner for more private rest and relaxation.

The property contains state-of-the-art technology and the extraordinary bonus of a pool, facing west with views of the beautiful sunset which sets right next to Ibiza.

This spacious luxury villa is composed by two buildings: the main villa on two floors and the dependence on a single floor.

The property is arranged with 7 double bedrooms with en-suite bathrooms each with spectacular views of the sea, and with staff quarters in the basement floor.
